

The Robertson Report

Fall 2007

"And Jesus said unto them, I am the bread of life: he that cometh unto me shall never hunger: and he that believeth on me shall never thirst."
John 6:35

Time in the USA

Thank you for praying so faithfully for us during our time in the states. It was a stretching time but full of blessing! We had the opportunity to speak in many churches and homes about House of Hope, and the Dental Ministry, as well as the details of being missionaries in Guatemala! Our specific goals were to update each one of you on the ministries in a personal way, to let you know of the needs so that you could be more involved and to know how to pray specifically. God is faithful and these goals were met. We have

several teams lined up to come work with us. Many of you partnered with us financially for construction materials, others gave toward the dental ministry, some sponsored children from House of Hope, and our prayer team is still getting stronger! *In addition God supplied ALL the items on our needs list!* We want to thank each of you for all that you did for us: for the words of encouragement, the wonderful fellowship, great food, places to rest & relax, and all the donations to the ministry! May God continue to pour out His blessings on you!

Disaster strikes in Alabama

As some of you know, while we were in the states, almost exactly three months for itineration, we had a camper trailer to live in. We scrimped and saved diligently to make the purchase just prior to our trip. Our thought was to have a tiny home to keep our family cohesive: there is a lot to be said for having your own bed, your own kitchen with your favorite foods and your clothes hanging in a closet not in a suitcase while traveling.

At the end of the trip Kambria and Kirsi flew home while Michael drove from Georgia. The idea was to store the trailer in Texas to have it available for our next visit. While traveling through Alabama, the trailer was hit by an uninsured motorist and TOTALED. Praise the Lord no one

was hurt. Our truck and all of the donations made it safely as well. Later we contacted our insurance company only to find out they had made a mistake and only insured us for liability instead of the full coverage we had requested.

We are still praising the Lord that no one was injured and for the blessing of our home while we had it. While this seems tragic, we know God is good and will provide again.

As a final note, if someone has a camper trailer or a motor home it can be donated to the ministry for a full value tax deduction. Also, our ministry has set up a special fund, Robertson Travel Trailer, for anyone that desires to help.

Events of this month

- Time in the USA
- Disaster Strikes
- Optical/Dental outreach
- Answered Prayer

Trailer & Car Wreck

Dr. Brady checking a patients eyes

Optical/Dental Outreach

In the town of Magdalena Milpas Altas, we did a optical/dental outreach for a week with the a local pastor Mario Mendez and his wife, Ingrid.

The team of 9 arrived from Ohio with 16 suitcases of eye glasses. Dr.Brady and his optical team did complete eye exams and gave out eye glasses to those that needed them, meanwhile Dr.Joe, Michael, and the dental team administered top of the line dental care.

During this time, 2 people gave their lives to Christ and one recommitted his life! Praise the Lord!

In the end around 425 people were seen for eye exams, and 245 pairs of glasses were given out. Dental saw 105 patients while doing extractions, fillings & restorations, dental surgery, and x-rays. It is awesome to see how God uses each individual's talents for Him. Each person on this team filled the right position and God used them to touch the Guatemalans lives!

Answered Prayer

A Portable X-ray was something we desired and the dentists we did ministry with dreamed about.

***"Delight yourself in the Lord and He will give you the desires of your heart."
Psalm 37:4***

With those words in mind we knew in the Lords timing it would come. As our time in the states came to a close, all of the final pieces for the portable X-ray fell into place. Each part of the unit was donated from different individuals some we knew others we did not. God supplied for His Guatemalan Dental Ministry! The first day we used the x-ray we were able to calm a mom who

feared that her daughter did not have an adult tooth to replace her baby tooth. As Dr. Joe reviewed the X-ray he saw she indeed had her adult tooth but that it was slow in descending. The mom was very grateful!

In addition we were able to perform oral surgery on a local Guatemalan missionary, Mario, who needed a special procedure preformed. The local dentist, after having done his evaluation, refused to do it. Mario did not have the funds, or the time, to be away from his ministry to have it done. So, on the last day of helping us do dental ministry, he received his surgery. The Lord is touching His people through each of you!

Update on Christmas

We will again this year be giving presents out to the children at House of Hope and Mama Carmens an orphanage in Guatemala City. Please pray that the children see Jesus in this and not just the gift.

Blessings, Michael, Kambria & Kirsi

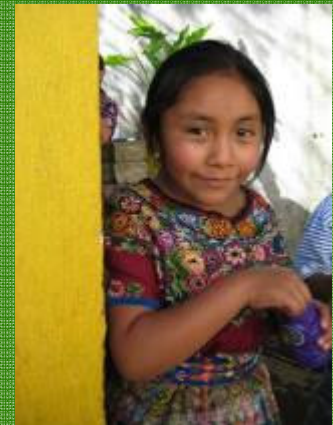

Praise and Prayer Requests

Praise:

- God supplied everything on our needs list
- Safety as we traveled, even with the trailer accident
- The blessing of Robert doing the drive with Michael through Mexico
- Salvation of individuals during the recent outreach
- The Ohio teams servants hearts
- Safe arrival of Michael's Father, Connie here in our home

Prayer:

- Construction at HOH, David the foreman and his crew
- Funds for finishing the building at House of Hope
- For the children during the Christmas season that they would see Christ in this and not just presents
- For the spiritual growth of the children at House of Hope
- For this Christmas and dental outreach with the Cleckner Family
